Epson **AcuLaser C2900N Series**
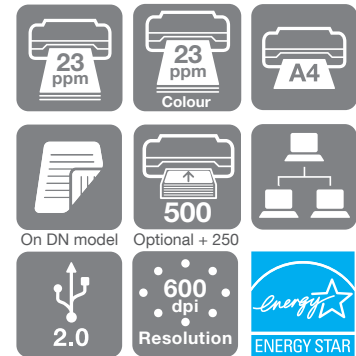

Developed for demanding micro-businesses and small businesses, the Epson AcuLaser C2900N Series can make organisations more efficient while delivering professional results.

All models in this single-function series can easily handle large print jobs and, with print speeds of 23 pages per minute for both mono and colour, it is one of the fastest in its class. Professional-standard print resolution of 600x600dpi produces high-quality images, combined with vibrant and realistic colours thanks to Epson's AcuBrite toners.

Designed to meet the needs of complex IT environments, all models in the series come network-ready with numerous interfaces and emulations, including Gigabit Ethernet as standard, IPv6, Adobe® PostScript® 3™ and PCL 5c/6 emulations, to provide greater flexibility and easy integration.

Increase paper capacity to 500 sheets with an optional 250-sheet paper tray for increased productivity. And for greater efficiency, the C2900N model comes with optional double-sided printing, cutting paper usage and costs by up to 50 percent. This duplex feature comes as standard on the C2900DN.

The 256MB standard memory is among the highest in its class and you can enhance performance even further with an optional 512MB of additional memory.

As one of the most competitively-priced in its class, the C2900N Series offers great value for money. ENERGY STAR-qualified reduced power consumption helps businesses further reduce total cost of ownership and environmental impact.

KEY FEATURES

- Fast print speeds of 23ppm
- Print resolution of 600x600dpi
- High-quality printing with excellent colour
- 256MB standard memory; optional 512MB of additional memory

The C2900N model comes with optional double-sided printing, and a 250-sheet paper tray can also be added.

SUPPLIES

- Black Toner Cartridge
  (3.000 pages*)   C13S050630
- Double Black Toner Cartridge Pack
  (6.000 pages*)   C13S050631
- Yelllow Toner Cartridge
  (2.500 pages*)   C13S050627
- Magenta Toner Cartridge
  (2.500 pages*)   C13S050628
- Cyan Toner Cartridge
  (2.500 pages*)   C13S050629
- Drum Cartridge (CMYK)
  (36.000 pages**)   C13S051211
- Initial Toner Cartridges CMYK
  (1.000 Pages*)

* ISO/IEC19798 and ISO/IEC24712 yield test reports
** Life of drum cartridge is defined based on continuous printing.
   It varies depending on print conditions.

OPTIONAL ACCESSORIES

- 250-sheet paper tray   C12C802671
- Duplex unit   C12C802661
- 512MB memory   C12C822121

TONER CARTRIDGE COLLECTION PROGRAM

This free service helps us to collect and recycle used Epson toner cartridges in a safe and environmentally-friendly way. There are three easy ways to dispose of your empty cartridges and take an active role in reducing waste:
- Put them in a toner cartridge collection box which will be picked up once full
- Return them free of charge by post
- Drop them off at an Epson Express Centre Please visit www.epson.com/recycle for more details about the program
