hp c9731a

HP Color LaserJet 5500 smart print supplies work together with the HP Color LaserJet 5500 printers as a system for output that is always sharp. Enhanced pigments and second-generation toner particles in all cartridges provide a wider color gamut, consistently accurate results in colour, sharp black text. The print cartridges are easy front door access. Due to long-life kits, the print cartridges are normally the only supplies that need to be replaced. Further, smart print supplies simplify supplies management through smart features for status monitoring, mail notification, and automatic electro-photographic adjustments. Supplies brand authentication ensures a genuine HP product ensuring a complete, high-quality system for high-quality, professional colour documents. Yield: 12,000 pages at 5% average coverage.

Merkmale und Vorteile

- ◆ Consistently outstanding print quality: 2nd generation chemically grown spherical toner particles deliver a wider color gamut and sharp black text on pages up to A3. Electro-photographic adjustments ensure consistent print quality and true colors during the cartridge's life.
- ◆ Easy to install and to maintain: "All-in-one" print cartridges combine toner, paper, and the developing system in a single cartridge which can be easily installed due to front door access and cartridge location assurance. Supplies status messages are also displayed on the enhanced printer control panel.
- ◆ Efficient supplies management: Smart features enable supplies status monitoring, proactive e-mail alerts when supplies are low. High-yield cartridges and long-life consumables ensure maximum printer up-time and minimum user intervention.
- ◆ Reliable performance: Precise matching of cartridge design, toner and printing components, as well as rigorous quality testing ensure reliable performance.
- ◆ The HP C9731A/C9732A/C9733A Color LaserJet Smart Print Cartridges (cyan, magenta) each print up to 12.000 pages at approximately 5% coverage.
