More value, more ease, more efficiency

Less is the new more

Bundling 10 cartridges together gives you more of what you want and less of what you don't.

- Fewer shipping charges
- Fewer purchase orders
- Less handling on the production line
- Less inventory to store, track and manage

The HP 45A 10-pack delivers greater value through increased ease and efficiency. Simplify your ordering process, increase production-line efficiency and improve inventory management ... all while continuing to use the HP thermal inkjet technology you rely on for high-quality, sharp black text.

Getting started

You can buy this 10-pack the same way you'd buy any other HP-branded industrial ink; contact your HP-licensed industrial ink provider and let them know you want to add the HP 45A 10-pack to your next purchase order.

Whether addressing mail and transpromo pieces with clarity and speed or increasing the readability of text and barcodes on cartons, with the HP 45A 10-pack you'll have it covered—to the power of 10.
