

HP LaserJet Smart Druckkassette

[Druckversion](#)**hp@home****hp q1339a**

The HP LaserJet Smart Print Cartridge is designed to work precisely with the HP LaserJet 4300. It features advanced toner formulation and improved cartridge architecture that supports fast, reliable, high volume printing and ease of use. HP smart printing technology allows for accurate supplies status and usage information, no-shake capability, life-long consistent print quality and cartridge authentication. Designed together with your HP printer, the HP LaserJet Smart Print Cartridge ensures reliable, crisp, sharp results every time you print.

[→ wo man kauft](#)**Merkmale und Vorteile**

- ◆ Consistently high levels of print quality over the entire life of the smart print cartridge enabled by advanced toner formulation and cartridge design.
- ◆ Simplified usage and enhanced control of the Smart Print Cartridge through easy installation, and proactive management and maintenance, enabled by HP smart printing features.
- ◆ Minimal user intervention allowed through improvements in the toner stirring mechanism to eliminate the need to shake the cartridge at end of life.
- ◆ Reduced total cost of ownership through higher capacity and increased yield, economical use, and a time saving design and proven, reliable operations.
- ◆ Reliable performance through precise matching of print cartridge design, toner, printing process components, and rigorous quality testing.
