Product Group	Description
Duratherm II Receipt	Duratherm II Receipt is an uncoated direct thermal paper that provides excellent print quality, well-suited for use in most general applications.
Duratherm III Receipt	Duratherm III Receipt is a top-coated direct thermal paper that provides enhanced durability where humidity and surface abrasion is a concern.
Duratherm II	Duratherm II is a non top-coated direct thermal paper that offers high quality, cost-effective printing. This material is recommended for most general-use applications where exposure to chemicals and moisture is not anticipated.
Duratherm III	Duratherm III is a top-coated direct thermal paper that provides enhanced durability for applications where humidity and surface abrasion are a concern.
Duratherm III Synthetic	Duratherm III Synthetic is a top-coated direct thermal film label that provides enhanced durability for applications where moisture and surface abrasion are a concern.
Duratherm III Linerless	Duratherm III Linerless is a self-wound adhesive label that provides excellent print quality and durability without the need for a liner. By removing the liner, the roll capacity increases and there's no need to dispose of the liner.
Duratherm II 5-mil Tag	Duratherm II 5-mil Tag is a non top-coated direct thermal paper that offers high quality, cost-effective printing for mobile printing applications. This material is recommended for most general-use applications where exposure to chemicals and moisture is not anticipated.
