SUPPLIES OVERVIEW

The Optra C710 printer supplies are easily accessible, making cartridge installation, paper loading and paper retrieval simple. This product is unique in that it sets a new threshold for ease of operations by reducing the number of consumable components, providing a single consumable (combined toner / OPC cartridge), and high capacity (10,000 page) print cartridge life. The Optra C710 printer is shipped with a set of four print cartridges, transfer kit and coating roll.

Compatibility

The Optra C710 print cartridges and related supplies are unique to this printer. Print cartridges intended for use with Optra printers other than the Optra C710 cannot be used in the Optra C710.
