Targus DEFCON CL (Notebook Cable Lock)

Finally a computer security solution with nothing to lose! Everyday nearly 1,000 notebooks are stolen - protect your notebook and valuable data with the DEFCON CL. The Targus DEFCON Cable Lock (CL) is 6.5 feet of cut-resistant, galvanized steel cable that loops around any secure object and easily attaches to your computer's lock slot. The DEFCON CL features a user-settable combination lock with up to 10,000 possible settings. The DEFCON CL is the first computer security product to offer the benefits and convenience of a keyless solution.
