Genuine Xerox Solid Ink 8500/8550 Yellow (3 sticks)

Genuine Xerox solid ink sticks are an integral part of our simple, intuitive supplies system - featuring interlocking ink shapes and a unique numbering system, making the ink loading process easy. Our high-performance solid ink formulations deliver brilliant color and sharp text every time, and can be used with either Xerox Phaser™ 8500 or Phaser 8550 colour printers. They produce an average of 3,000 pages (at 5% average area coverage). Genuine Xerox printers and supplies—They're Made for Each Other™.
