

HP No. 80 Ink Supplies

HP No. 80 Ink Supplies form a modular ink delivery system that includes ink cartridges, printheads and printhead cleaners.

HP No. 80 Ink Cartridges and Printheads

Designed for high-productivity technical professionals, print-service providers and retailers.

Achieve breakthrough printing speeds with HP Jetexpress Technology – delivering a 2.54 cm wide printhead with 512 nozzles for the fastest, most precise printing of any HP Designjet printer, and allowing unattended printing.

With built-in smart features, HP No. 80 Printheads and Cartridges work with the printer to provide outstanding high-quality results every time, while the HP Printhead Cleaner extends printhead life and ensures consistent performance.

350 ml black pigmented and dye-based colour ink cartridges enable high-volume, overnight or unattended printing. The modular ink supplies system enables easy selection, and you only need to replace individual components when they actually run out.

Technical professionals can also choose optional 175 ml dye-based colour ink cartridges for smaller, less frequent colour-printing tasks.

HP No. 80 Value Packs

Designed for high-productivity technical professionals, print-service providers and retailers.

HP No. 80 Value Packs contain a HP No. 80 Ink Cartridge, a HP No. 80 Printhead and a HP Printhead Cleaner – delivering a complete modular ink system for fast, high-quality technical printing.

The value pack bundle offers all the system components needed to get peak performance from Designjet 1050c and 1055cm printers at an attractive price that is lower than purchasing supplies separately.

HP No. 80 Ink Cartridges and Printheads provide built-in smart features to ensure excellent results. And with HP No. 80 Value Packs, the replacement supplies you need are readily available in one convenient package.

Product specifications ink cartridges

HP No. 80 Ink Cartridges*
